Background

Delta was first listed in 1946 as [Rhodesia Breweries Limited](#). Its origins, however, date back to 1898 when the country's first brewery was established in Cameroon Street, (Salisbury) Harare, from where the brewing industry developed into a major industrial and commercial operation.

By 1950, the Company had built the [Sable Brewery](#) in Bulawayo, producing pale ale, milk stout and [Sable Lager](#). Over the years the Company continued to expand its portfolio of businesses and diversified its brewing base. In 1978 the name was changed to Delta Corporation Limited and the company assumed the mantle of a holding company for a broad range of interests serving the mass consumer market. These included lager and sorghum beer brewing, bottling of carbonated and non-carbonated soft drinks, supermarket and furniture retailing, tourism and hotels and various agro-industrial operations.

The hotel, supermarket and furniture retailing businesses were demerged from the Group in 2001 to 2002 resulting in the Group focusing on the core beverages sectors. Some supply chain related investments remained part of the Group until 2014 when the plastic packaging entity, MegaPak, was demerged. The Company has a minority shareholding in the now consolidated packaging group [NamPak Zimbabwe](#).

About Pindula

Pindula

Pindula is a place to find information about local things on the internet. We do it a lot like Wikipedia, except everything is hyper-local. We started work on Pindula because we needed something like it. There's so little useful information about local things online and we're working to change that
