Marian Chombo is a Zimbabwean politician and former Vice-President of [Joice Mujuru](#)'s National People's Party (NPP) and women's assembly chairperson.^[1] She was once married to [Ignatius Chombo](#). She was elected Member of Parliament for [Zvimba North](#) in the 2018 elections.

Marian Chombo

Background

Marian was involved in a messy divorce wrangle with her former husband Ignatius Chombo. Their divorce attracted national attention as it exposed her husband's vast wealth.
